MEMO TO FILE:

Re: FORMINCO CORPORATION
Sulfurdale Mine
ACT/001/001

This mine was inspected by Brian Buck, and myself, on 3/9/77.

Mr. Gordon Ford was not available for discussion of the
reclamation plan which he has been working on for some time.
According to an employee present, work has ceased for the winter.

Much heavy equipment present on the mine site has been re-
painted and is now apparently ready to be sold.
